

CATFIELD ACTION TEAM

Newsletter No 3 — Summer 2025

The Catfield Action team was first set up in March 2022, when it was known as Catfield Environmental Group. In early 2024 we changed our name to Catfield Action Team as it better reflected what we were aiming to do which is working with other groups in the local community.

Our main event of the year the **Village Fete** has now taken place and was a great success. We had a lovely selection of stall holders, some delicious food and fabulous music. All in the amazing setting of the Old Rectory gardens. We hope you came along. Takings from the event were over £2500, and we are keen to hear from any villagers with ideas for future village projects.

See below for a few pictures from the Village Fete

The first half of the year has been a busy time for the group, so we thought it was time to give an update on the progress of various projects .

- The bench and planters and wild area on the corner of New Road and The Street has looked amazing all year due to the magnificent efforts of the group.

- We have done some replanting and maintenance in the school garden.

- The playing field hedge is into its second year and is growing well and is now clear of weeds following our tidy-up session earlier this month.
- The daffodils put on an amazing display round the village and we will be planting more bulbs later in the year at new locations around the village.
- The Sandholes area has been cleared of a lot of debris and is looking a lot tidier.
- Our litter picking sessions have been successful with many bags of rubbish collected.

We continue to organise events throughout the year and our monthly summer walks are now taking place. Our monthly Bingo Sessions are going well and we will continue these throughout the year. *Details of all events will be publicised on our Facebook page and in the Catfield News.*

We put the money we raise from our events towards projects in the village. We have also made a contribution towards a new village noticeboard and bought a hose pipe for the school to help them manage their garden.

How can you help!

If you would like to join the group or have ideas for future activities or projects please contact Edwina on 07932 191558 or email catfieldactionteam@gmail.com

We are also on Facebook.
